Enrollment Information for 2024-2025 School Year

Grayson UMC Preschool is a nonprofit organization and operates entirely on funds provided by tuition fees. As a ministry of Grayson United Methodist Church, we strive to provide the students we serve a quality preschool education in a loving Christian environment. Each child is celebrated as a unique creation of God! We address the development of each child enrolled in the program through appropriate, rewarding, and positive experiences, which enhance each child's self esteem and prepare the child to be a lifelong learner. Our emphasis is on the Christian values of loving, caring, and sharing, learned through meaningful relationships. We strive to meet the emotional, spiritual, and social needs of the children and families we serve.

We believe in play-based learning. Our thematically based curriculum includes, but is not limited to, components from Get Set for School, Learning Without Tears, and Zoo Phonics. Our talented staff use their individual gifts and styles of teaching to incorporate reading, math, science, and social studies, using hands-on lessons, large and small group activities, and allow ample time for children to be creative and explore new interests. Students enjoy time outside of the classroom for playground, Learning Lab, Chapel, and Nature Walks. Through everything they do they are playing, praying, and learning.

Grayson UMC Preschool is proud to be designated a Program of Excellence for Young Children by the Directors Association of the N. Ga. Conference. We are certified by the Georgia Department of Early Care and Learning (DECAL) as a half day (4 hour) early learning program.

We are thankful for support from our preschool board, church staff, members of our church, members of our community, and our wonderful families!

*Open Registration for new families begins Wednesday, January 24, 2024
